## ADMINISTRATIVE AND PROGRAM COORDINATOR

Magdalena “Magda” Puntý is the administrative and program coordinator with the Eos Foundation. Magda joined Eos in 2014 to support both business and program operations of the Foundation, including coordinating events, grant processing, and general communications for the Nourishing Kids Initiative. Magda also supports Eos’ Women’s Power Gap and the Initiative’s research and data analysis needs.

Magda comes to the Eos Foundation with a background in business management and operations. She holds a master’s degree in Business Management from the University of Warsaw, and an MBA from Suffolk University. Magda is a proud immigrant who holds dual Polish-American citizenship. She lives in Harwich, Massachusetts with her husband and two sons. When not at the office, you will catch Magda in her garden or enjoying photography during nature hikes.
